

## THERE IS A PRICE TO PAY

We all have done or thought of something evil. Doing evil goes against God and His perfect holiness, and this is called "sin." Everyone has sinned before (**Romans 3:23**), and by the law of God, we must pay the price, which is our inevitable death (**Romans 6:23**). Back in history, we performed sacrifices to make amends our sin. But God sent us His Son, Jesus Christ, to be the penultimate sacrifice for sin for all who accept Him (**1 John 2:2**).

## JESUS CHRIST PAID IT FOR YOU

Jesus, fully God and fully human, humbled Himself and came to die for your sins (**Romans 5:8**). Jesus lived a perfect life with no sin (**2 Peter 2:22**), paying the price of sin for all who believe in Him. God shows His love for us through His perfect patience, His Fatherly discipline, and His sacrifice for us (**John 3:16**).

## GOD IS WAITING FOR YOU

God wants you to know Him. He wants you to repent of your sins and to be saved (**2 Peter 3:9**). There is nothing you need to do or give (**Ephesians 2:8-9**), simply have faith that Jesus, Son of God, died for your sins and that you are saved (**Romans 10:9**). Love God as He loves you and follow His commands (**John 14:21**). All true followers of Jesus, Christians, all around the world, are here for you. Let's unite in prayer and living worship to God, our Lord.

GOD'S WORD  
IS  
PROVEN

AND HE SAID  
HE LOVES YOU

GOD'S WORD  
IS  
PROVEN

AND HE SAID  
HE LOVES YOU

But God is so rich in mercy,  
**and he loved us so much,**  
that even though we were dead  
because of our sins,  
he gave us life  
when he raised Christ  
from the dead.  
(It is only by God's grace  
that you have been saved!)  
For he raised us from the dead  
along with Christ  
and seated us with him  
in the heavenly realms  
because we are united  
with Christ Jesus.

**EPHESIANS 2:4-6**

Have you ever thought, "why is the Bible so popular?"  
Or, "why do I hear so much of the name 'Jesus'?"  
Or, "how do we know that the Bible is true?"

### **BECAUSE IT IS REAL HISTORY**

The Word of God, also known as "the Bible," all started since the beginning of creation. What God has said and done have been recorded through time. The first recordings are called the Torah, written by Moses. Over time, through genealogies and the history of nations and kings; history was recorded from 1500 to 400 BC. The Torah, along with the historical recordings, became the Hebrew Bible called the Tankh. This is what the Jews have studied, practiced, and protected for thousands of years.

### **JESUS IS A REAL HISTORICAL FIGURE**

Then, Jesus, the Son of God, was born a little over 2000 years ago (ever wonder why it's the year 2000-something AD?). Jesus was prophesized about in the Tankh. By the conditions of Jesus' birth and His actions through life; Jesus fulfilled every prophecy. Many Jews knew of this prophecy and knew Jesus is the prophesized Son of God. However, despite the recorded miracles of Jesus and His fame throughout the nations, the powerful Jewish leaders rejected Jesus and crucified Him on the cross (also prophesized to happen). Later, Jesus rose from the dead and was on earth for another 40 days. We have eyewitness and government accounts for all of this.

### **THEN WE GOT THE BIBLE**

After the life and departure of Jesus, the first Christians compiled history into what we now call the Bible. The Tankh became the Old Testament. Then, the New Testament was compiled using the history and eye-witness accounts of Jesus; using great letters to the first Christian churches and nations; and concluding with the book of Revelations (the apocalypse, the prophecy of the end of time). The first Bibles were made and translated into Hebrew (for the Jews), Greek (for the Romans), and Aramaic (for others in the regions). Then, trusted Christian scholars translated the Bible into English in 1611 AD. That first English translation is the King James Version, or KJV. Since then, using historical discoveries and careful fact-checking, Christians created other reliable English versions, such as the ESV, NIV, and NASB. These faithful translations have been proven to be 99.99% accurate to the original writings, with a 0.01% margin of error; statistically negligible.

### **OUR FAITH IS NOT WITHOUT EVIDENCE**

Some people like to claim, "faith means believing with no proof," but we indeed have proof. We have the history that has survived for generations; longer than any other nation or religion. We have the practices of God's Word still alive today as the basis of our culture, society, and laws. We have proof by testing what the Bible teaches and seeing what is written in action. Our proof is "beyond a reasonable doubt." So, what is hindering you from believing?
